*What is
Manifesting?*

**“WE ATTRACT WHAT WE
ARE, WE MANIFEST
WHAT WE BELIEVE”**

Manifesting is a physical expression
of our flow and inner state.
Watch what you think, say and
believe in....

What is
Empowered
Manifesting
then?

It is the art of being aware of
all the steps that lead to
manifestation, at visceral /
subconscious level.

You are empowered by your
thoughts, not a victim of
random outcomes.

*Manifesting
is a Journey*

Everyone thinks of the
final destination but
the journey is equally
as important.

Enjoy the
Steps...

- Be Clear
- Be intentional
- Take actions and “sacrifices of love”
 - Remove resistance
 - Be ready to do the work
 - Cultivate Grit
 - Have patience
- Detach from the outcome

How do I
become a
manifestor?

**MIC DROP MOMENT:
YOU ALREADY ARE!!!!**

THIS IS WHY THIS IS IMPORTANT

*Feminine and
Manifestation...*

God had a vision
Spirit manifested it

The Feminine, the Mother energy. is what
creates the tangible of what we have
attracted already energetically

Go
now
what?

Now you know **YOU ARE** a manifestor, so
what to do?

- Harness your power
- Learn Tangible skills
- Build the new muscle
- Make changes daily
